**SUNDAY - JUNE 5, 2011
HALF DAY CLASSES**

1. Paper Piecing

Instructor: **Marian Coakley**

Method: Quilting on Paper

Here is your opportunity to learn paper piecing the easy way - fold and sew using foundation paper. Look like an expert. A pattern will be provided in class.

2. Fabric Clock

Instructor: **Sharon Ray**

Method: Various Fabrics incorporated in a Clock

3. Fabric Weaving

Instructor: **Shirley Talley**

Method: Fabric weaving is a technique using random cut strips of fabric that are woven together to form a new fabric. The new fabric can be used in construction of quilts, garments, purses, pillows or any other way imagined. The final piece will be the result of your fabric choice.

**SATURDAY - JUNE 4, 2011
FULL DAY CLASSES**

1. The Family Jewels

Instructor: **April Shipp**
Method: Paper Piecing
Skill Level: Intermediate

2. Keep It Simple

Instructor: **Theadra Fleming**
Method: Squares and Strip piecing

Je'Taime is inspired by my love of squares and strip piecing. The technique involves sewing strips together end to end, cutting the long strip to the desired length, sewing these strips together side by side, and then cutting the piece again in strips, staggering the seams to create a wonderful and surprising canvas. It is my desire that you unleash your creative essence. ENJOY the process !!! – Theadra Fleming

3. New York Beauty

Instructor: **Wanda Cook**
Method: Paper piecing
